Corporate Directions, Inc.

Corporate Directions, Inc. (CDI) started consulting business in 1986, as the first independent strategic management consulting firm based in Japan. As a management consulting firm with an Asian origin, CDI offers customized solutions while considering the differences in background and culture to guide our clients to success.

Our experts have more than 30 years of experience in Japan as well as China, Vietnam, Thailand, Malaysia, Singapore and Indonesia.

台灣經濟研究院 Taiwan Institute of Economic Research

Taiwan Institute of Economic Research (TIER) was established in 1976 as the first independent think tank in Taiwan. For the past 40 years, TIER successfully built up its professional reputation among other think tanks in Taiwan.

Research reports, industrial consultations, economic forecasts, and various publications produced by the institute are highly acclaimed. With excellent professional and intensive experience, TIER continues to provide high-quality economic advisory services to the government and the private enterprises.
